Nauja LID vadovybė

LID taryba

- Aurelija Žvirblienė, LID prezidentė
- Vita Pašukonienė, LID tarybos pirmininkė
- Dovilė Stravinskienė, LID sekretorė
- Asta Miškinienė, LID išdininkė
- Audronė Eidukaitė
- Indrė Dalgėdienė
- Ingrida Jacevičienė
- Radvilė Malickaitė
- Agata Mlynska
- Eivina Radzevičiūtė
- Martynas Simanavičius

Revizijos komisija

- Almantas Šiaurys
- Ingrida Pumputienė
- Vytautas Kašėta

Pakeitimai užregistruoti

Study Groups

EFIS is pleased to announce the launch of its first **EFIS-IL Study Groups**. Potentially interested participants are invited to contact the Study Group spokespersons directly.

- [European B Cell Network](#)
- [Non-coding RNA and epigenetic regulation in immune cells](#)
- [T CELL CONNECT EUROPE \(TCC EUROPE\)](#)
- [Tumor Immune Escape and Resistance \(TIMER\)](#)

Task Forces

A major initiative emerging from the first **EFIS Strategic Retreat** was the consensus to establish EFIS Task Forces on three pertinent issues facing European immunologists: education, vaccination and diversity. These task forces were established to address specific needs perceived by Societies that can be better dealt with at a European level.

- [The Diversity Task Force](#)
- [The Education Task Force](#)
- [The Vaccine Task Force](#)
- [The Young Immunologists Task Force](#)

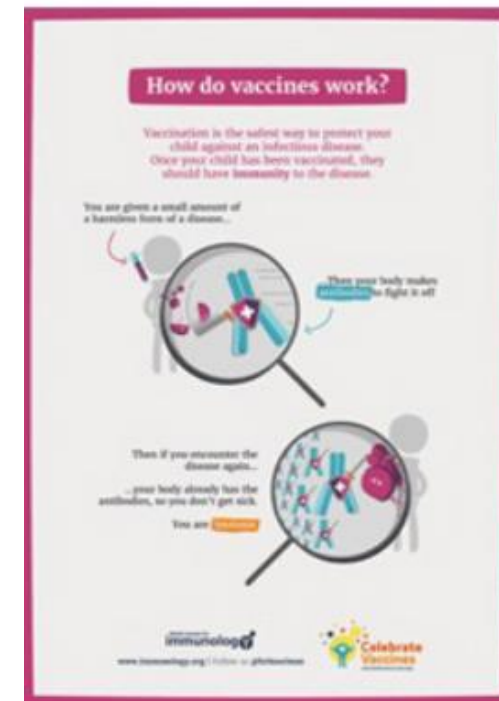

EFIS vakcinų darbo grupė (EFIS Vaccine Task Force)

LID atstovė:
Aurelija Žvirblienė

Nuotolinis posėdis 2023 06 23:

- Vaikų vakcinacija, naujos vakcinos, mokslinių tyrimų poreikis ir kryptys

EFIS lyčių lygybės ir įvairovės darbo grupė (EFIS Gender and diversity Task Force)

LID atstovė:

Dovilė Stravinskienė

Pagrindiniai renginiai 2023 metais:

- ✓ Gegužės 23 d.: filmo „Įsivaizduokite mokslininkę“ („Picture a Scientist“) peržiūra ir diskusija.
- ✓ Rugsėjo 12 d.: interviu su EFIS prezidente prof. Dr. F. Sallusto ir išrinktu prezidentu prof. Dr. B. Polić apie lyčių lygybės problemas imunologijoje ir kaip EFIS organizacija prisideda jas sprendžiant.

Numatomi renginiai 2024 m.:

Tarptautinė imunologijos diena 04-29

Efis on Tour Vilniuje 05-17

Imunologijos vasaros mokykla Lenkijoje 05 18-20

EuroMabNet konferencija Prancūzijoje 06 17-19

Europos Imunologų kongresas Dubline 09 1-4

2024 gegužēs 17- 18 d. Vilniuje

The sixth EFIS on Tour Symposium saw the EFIS Board travelling to visit a national society with which it has never met: the Estonian Society for Immunology and Allergology (EIAS). Scheduled for June 1st, 2018 c/o the Technical University of Tallinn, the nearly full day symposium, featured talks by prominent EIAS representatives, including EIAS President Kai Kisand, together with Pärt Peterson, Raivo Uibo and others (most of whom made the effort to travel from the principal immunology research community in Tartu, 2 ½ hours away), as well as by Francesco Annunziato, Chair of the EJI Executive Committee. For the full program, click [here](#).

EFIS Board:

President: F. Sallusto (Bellinzona)

Past President: A. Radbruch (Germany)

President-Elect: B.Polič (Croatia)

Secretary General: M.van Ham (The Netherlands)

Treasurer: W.F. Pickl (Austria)

Lenkijos-Baltijos šalių imunologų mokykla

2024 05 18-20

Białystok, Poland

Białystok is a rapidly growing city in north-eastern Poland, known for both its rich cultural heritage and its modernity. It is also an important academic and cultural centre, attracting students and art lovers from across the region. The city and the region are also famous for their uncommon Podlasie cuisine.
